

INN BRIEF

Annual Newsletter of the St. James Inn – December, 2018

Our Mission: The St. James Inn provides no-cost lodging and other related services to hospital outpatients or family members who have loved ones undergoing critical inpatient medical treatment in the UCLA Health System and other nearby facilities.

Father Pat Traynor Award

Sr. Stella Marie Enright was honored as the 2018 recipient of the Fr. Pat Traynor Award, recognizing her life commitment to both the St. Paul the Apostle community and to the St. James Inn.

Sr. Stella was the principal at St. Paul the Apostle School for 47 years and served this community as a leader and spiritual mentor. She loved each student and family as her own and would proudly tell you that she knew every student by name. Sr. Stella was a devout and faith-filled woman, and it was widely believed in her special connection with the Holy Spirit. Her dedication to prayer, education, and service are a testimony to her character and to her life. Sr. Stella had been involved with the St. James Inn from its beginnings in 1988 and was a dear friend of Fr. Pat Traynor. She was involved with the board, was an active participant in all of the fundraisers and events, and helped to connect her students and their families to the St. James Inn mission.

It is with great sadness that we said good-bye to our dear Sr. Stella on October 21, 2017. Sr. Stella's niece and grandniece, Emma and Nuala Culleton, gratefully received the award on her behalf. Sr. Stella continues to inspire us, and her legacy will live on through our commitment to serving those in need.

Over 30 Years Strong

In 1988, Fr. Pat Traynor founded the St. James Inn to provide shelter for patients and their families. Fr. Pat knew how important it would be to keep these families together during life's most challenging times. The St. James Inn means more than cost-free lodging; it is a beacon of security and support. It is a home cooked meal after a long day at the hospital; a sun bath on the patio after the stifling hospital room; a warm bed when your body needs the rest the most. As this family remembers, it is a home away from home, and often times a much-needed source of peace:

"Thank you for providing this lovely home for people like us, who must stay here, far from our own homes. During a time that could have been a long, lonely, and even frightening time, your kindness and hospitality has instead made our stay warm, friendly, and comforting."

Over the last thirty years, the St. James Inn has given a home to over 1,200 guests, who have traveled from over 25 countries, 36 states, and 156 different cities throughout California alone! In June 2018, inn guests Abdul and his father Fateh traveled here all the way from Pakistan! Abdul is currently an outpatient at UCLA and is fighting against an extremely rare cancer called desmoplastic sarcoma; to date, there are only 200 known cases. With no other housing options and unable to work during treatment, the St. James Inn has provided such

a financial relief for this family, but its benefits have gone beyond easing economic hardship. The social support has allowed Abdul to stay strong, positive, and full of hope and faith. Abdul realizes, "I am not alone here; here, I have people behind me; here, I am supported. The people here are not strangers, they are like family." His father Fateh believes that the St. James Inn is a "blessed home. The gift of this house you can't express in words. I don't feel discriminated for my religion, for my color, for my language...it's a very positive thing. As long as this house exists, the people who work for it, and who support it, will be forever blessed."

Blessings to you all for your continued generosity and support! We are deeply grateful for all you do!

ANNUAL FUNDRAISER: FIESTA 2018

Viva The St. James Inn: Serving the Community for over 30 years!

This year we celebrated our 30th anniversary, and it was our most successful fundraiser yet! With an all-time high of 275 supporters in attendance, we raised more than \$240,000 to fund the operational costs of the Inn. It was a pleasure to see our dedicated supporters and to welcome the many new faces in the crowd. What a wonderful way to commemorate the life of our dear Sr. Sister, by ensuring the future of our beloved organization. We hope through our service to these patients and families, we can continue to honor her and

keep her inspiration and spirit alive.

Special thanks to our hardworking benefit committee, many volunteers, St. Paul the Apostle school, and our loyal supporters who all made this very special evening such a success. We couldn't do this work without you!

Mark your calendars for next year's event on May 3, 2019!

Be a Saint

Thank you to the St. Paul the Apostle Saints and community, who have invested their time, talent, and treasure with the St. James Inn. The student council organized a clothing drive for the Inn guests, providing them with warm blankets and slippers for the winter months. Student representatives Reilly and Alex were

able to attend this year's fundraiser and present their service project.

Students from all grade levels also made welcome bags to greet the Inn guests upon arrival to their new homes. The children colored beautiful cards with such thoughtful notes and filled the bags with all the necessary supplies to make the guests feel comfortable and at ease. The guests have truly appreciated these gifts and are deeply touched by the children's kindness.

Students also donated over \$650 this year from the program "Dishes for Dollars."

Thank you to all these students and their families who are so actively supportive of the St. James Inn!

Message from the Board

It is with great pleasure to report that as a result of the support from you, the friends and families of the St. James Inn, that the spirit and mission to help those in difficult medical situations has never been stronger. With three wonderful locations and nine bedrooms on the westside, the Inn is providing a home away from home for even more outpatients and family members that need a place to recover from long days at the hospital.

The mission continues today, as it was envisioned by Fr. Pat Traynor over 30 years ago. Fr. Pat is surely pleased with our progress as we continue supporting those families in need of a loving, safe and peaceful place that they can rely on when their family is faced with adversity and unknown futures. Our board members, staff, benefit committee, and most importantly our generous donors, have made the St. James Inn what it is and what it will continue to be. I would like to acknowledge our past president, Steve Royer. Thank you for your outstanding

leadership and keeping the Inn moving forward in such a positive way. I am pleased to report that the May 2018 Annual Benefit exceeded expectations in attendance and participation. The success of this event is directly related to the leadership we are so blessed to have, and the relentless time and commitment of the benefit committee. On behalf of the board members and the entire St. James Inn community, thank you to everyone who clearly exhibited their passion for the cause and unwavering dedication that made the Annual Benefit such a success. We look forward to this year's event to be held on May 3rd, 2019 in The McCarthy Gymnasium at St. Paul the Apostle. Please mark your calendars for this wonderful event and to see how the Inn is helping so many in need during the difficult times of recovery.

This is the time of the year when we are all tasked with loads of activities, personal and professional obligations, as well as requests from other communities in need of support. Time is short, and commitments are many. The Inn families continue to need our determined

strength that will get them through their challenging times. I find myself occasionally getting too focused on my own family's needs and stresses; St. James Inn quickly reminds me that we've got it good. There is an abundance of things to be grateful for, and so many people surround us that make our lives richer and fulfilled. The families we help feel a lack of hope, with nowhere to turn. This is where the St. James Inn shines. The struggles these families experience is something we can positively affect through participation and dedicated efforts to raising more awareness and funding for this cause.

The St. James Inn needs all our faithful devotion, and the benefits will be felt by everyone.

Wishing you a happy holiday season!

Robert Davis
President, St. James Inn Board of Directors
